

## **Deliverance in the Praise**

There's deliverance in the praise  
there's deliverance in the praise  
There's deliverance in the praises of the Lord

If you're sick and you can't get well  
heal your body then you can tell  
There's deliverance in the praises of the Lord

Whatever you're going through  
the Lord will see you through  
There's deliverance in the praises of the Lord

Your Deliverance will come- Just praise him!!  
Just praise him !
