

Lord I love you

(verse)

You made a way for me
You opened doors I could not see
You made me do right when I would do wrong
You made my enemies leave me alone

* I accepted you
Lord you're mine
And you're with
All the time
Lord I love you, I love you
And I desire to love you more

(Chorus)

Lord I love you
Yes I love you
Cause you made a way out of.....no way
Lord I love you
Yes I love you
And I desire to love you more *

(SPChorus)

Lord I love you
I love you (2X)
