

Abundantly, He's blessin' me

(Chorus)

The Lord gives many things

Many things I have

Every burden, He helps me to bear

He gave His only son, to die on Calvary

He came that I have life

And life abundantly

I don't deserve, all that's He's done

When I'm weak, He gives me strength to run

I cannot ask for more, He opens every door

The Lord keeps blessin' me, over and over and

over

(vamp)

Over and over, He's blessin' me

More and more', abundantly
