

## **Covered By The Blood**

I believe I'm covered by the blood  
I believe I'm covered by the blood  
The blood is always protecting me,  
Keeping me from dangers unseen.  
I believe I'm covered by the blood.

I believe in the power of the blood  
I believe in the power of the blood  
By your grace and mercy I'm here today,  
And not resting in my grave.  
I believe in the power of the blood.

You covered me, kept your arms around me  
If you didn't cover me.  
You covered me, kept your arms around me  
Covered me.

### **Special Chorus**

I believe I'm covered,  
I believe I'm covered by the blood (repeat)  
He kept His arms around me, protected me  
Watched over me, provided for me.....  
I believe I'm covered by the blood.
