

For Your Name Is To Be Praised

We praise your Holy Name
Give you the highest Praise
We lift up Holy hands
Give you the highest Praise
We bless your Name
For your Name is to be Praised
For your Name is to,
For your Name is to,
For your Name is to be Praised

We Praise your Name

For your Name is to be Praised
For you Name is to be Praise

We Praise your Name

For your Name is to be Praised.
