

I FIND NO FAULT

I find no fault in him, in him

I find no fault in him, in him

Though he was rejected and despised by men

* I find no fault in him

They lead him to Calvary

And he never said a word

Just a cry, from a sinner

Was all the master heard

They pierced him in the side

And the blood can streaming down

And that's how he purchased my salvation *

SP CH

I find no fault, I find no fault, I find no fault in him
