

I'm going with Jesus, all the way

I'm going with Jesus, all the way

I'm going with Jesus, all the way

You can't stop me! you can't turn me!

* I'm going with Jesus.....all the way!

Sometime I hafta fast and pray
Sometime I hafta steal away
Sometime I hafta cry out, help me Lord
Oh yeah.....
I know if I hold my peace
The Lord will take care of me *
