

Oh But God

Solo

I've had heartache and pain
I've had sunshine and rain
I didn't know what the day was goin' bring
Oh but God.

I was sick, thought I'd never get well
God healed my body
I got another story to tell.
Oh but God

I've never seen the righteous forsaken
Nor His seed, never begging for bread
I am His and He is mine
He's the lifter of my head
Oh but God

(Choir)

Oh but God
Oh, oh, oh, oh, oh but God
Gave me a new determination
Stepped into my situation
Oh, oh, oh, oh, oh but God.
