

Oh How Precious

Verse

When you're lonely, heart filled with despair.....

Remember God cares

God cares for you

When you're in doubt and you can't find your way out,

He will see

See you through, see you through

Chorus

Just call on, the name of Jesus

No need to call out loud

(Tenors) Oh how precious...

(Sopranos/Altos) Precious... (as directed)

(All) Precious is His name.

Bridge

Oh how precious is the name of Jesus, Oooooo

He will hear you each **"Time you call"**

Oh how precious is the name of Jesus, Oooooo

I know He'll pick you up each time you fall

His name is Jesus...

Jesus, Jesus, Jesus, Jesus, (as directed)
